Trade	Description
Permit & Inspection	• Pull city building permit — client pays permit fee • Schedule and attend required framing and final inspections
Demolition	• Remove existing exterior sliding glass door and adjacent wall section • Remove existing concrete patio surface in conversion area • Haul away all demolition debris
Framing	• Frame new sunroom walls and knee walls per design • Frame roof structure — shed roof with proper slope and drainage • Frame rough openings for all windows and entry door
Roofing	• Install roofing underlayment and asphalt shingles to match existing • Install drip edge and proper flashing at wall connections • Flash and seal all roof-to-wall transitions
Windows & Doors	• Supply and install 4 double-pane vinyl windows — operable casement • Supply and install 1 insulated exterior entry door with hardware
Electrical	• Install 3 recessed LED lights on dimmer switch • Install ceiling fan rough-in and wiring • Install 3 GFCI-protected outlets • Install dedicated 20A circuit from main panel
HVAC	• Extend existing ductwork to supply and return registers in sunroom • Install 1 supply register and 1 return air register
Flooring	• Install tile flooring throughout sunroom • Install tile transition strips at entry points
Drywall & Paint	• Install moisture-resistant drywall on interior walls and ceiling • Tape, mud, and finish to paint-ready surface • Prime and apply two finish coats throughout
Cleaning & Protection	• Supply and install dust barriers between work areas and living spaces • Post-construction cleaning prior to final walkthrough

TERMS OF SERVICE

1. Apex Builders LLC will complete all work as described in the final and permitted set of building plans.
2. Apex Builders LLC will complete all work as described in the following proposed scope of work.
3. Apex Builders LLC hereby proposes to supply all labor, rough materials, tools and equipment to complete the scope of work.
4. Changes to the building plans and/or the proposed scope of work may result in a change to the total quoted prices.
5. Apex Builders LLC to obtain building permits for all contracted work as needed.
6. The cost of city and/or state taxes and fees (plan check, building permits, etc.) is to be borne by the Owner.
7. Apex Builders LLC to schedule and attend city building inspections for all contracted work as needed.
8. Apex Builders LLC is not responsible for work done by other contractors hired separately by the Owner.
9. Apex Builders LLC is fully responsible and liable for subcontractors it hires.
10. Owner is responsible for the supply and delivery of all items listed in 'FINISH MATERIALS'.
11. Apex Builders LLC to provide all other construction materials unless otherwise stated.
12. Apex Builders LLC provides a 12-year limited warranty on all parts and labor. Warranty starts on the date of passing final inspection.
